Now for over 90 years!

As we come to the end of another fulfilling year in business, we'd like to take time out to say "Thanks"!

Rand has been in business now for over 90 years, beginning as a sawmill under the ownership of Edgar Rand.

The planing mill, built during the 1920s, is still in operation today. We are one of the few remaining family-owned sawmills in the state of New Hampshire.

Over the years, the Rands have added a kiln for drying the lumber after milling, new

trucks for efficient delivery to your job site, and computerized inventory and bookkeeping systems to help ensure we always have all your needed supplies on hand.

Ken, Kathy and Jim Rand are running the operation for the Rand Family. The company employs 11 in our operation. Five work in the mill area.

Peter Baker runs the saw mill. Craig Etter runs the planer mill. Chad South and Jack Kennedy round out the mill crew.

Doug Belanger and John Ogaisian run the sales counter, while Joe Ray takes care of deliveries. Kathy Sullivan rounds out the sales office staff. Willow is the "hostess."

The Rand family wants to thank all of our valued employees for all of their hard work and dedication over this last year.

New this year is our web site. You can now email us 24 hours a day, 7 days a week at www.randlumber.com with requests for bids,
